State Boards, Commissions and Authorities—Public Employees Retirement Systems; Kansas Public Employees Retirement System—Retirement Date; Service After Retirement; Amendment by 1988 Legislature. Representative Kenneth W. Green, 75th District, El Dorado, September 16, 1988.

L. 1988, ch. 302, § 6 does not pertain to KPERS members who retired before July 1, 1988. Members who retired on or after July 1 of this year may be employed by a KPERS participating employer for up to 30 days in the calendar year with no restrictions or requirements. There are also no restrictions on KPERS members who retired on or after July 1 of this year and are employed as substitute teachers or are officers, employees, appointees, or members of the legislature. KPERS participating employers which employ members who retired on or after July 1, 1988, in any capacity other than those specifically exempted for more than 30 days in the calendar year are required to reimburse the retirement system for the retirement benefits paid to the member while the member is re-employed. K.S.A. 1987 Supp. 41-717 prohibits the retail sale of alcoholic liquor on credit. A system which involves the purchasers use of a credit card, thus allowing the purchaser to defer payment to a later date, is a sale on credit even though the retailer receives payment immediately through a third party. Townships and Township Officers—General Provisions—Corporate Status; Powers. Donald Wayne Estes, Shawnee Township Trustee, Shawnee Mission, September 16, 1988.

It is our opinion that a township may expend moneys from the proper township fund in order to hire an attorney for township purposes. Such purposes may include appearing on behalf of the township at a public hearing concerning proposed annexation pursuant to K.S.A. 1987 Supp. 12-520. However, a township may not expend public moneys to hire an attorney merely for lobbying against an annexation on behalf of the township or representing the legal interests of private landowners. 50,000	September 1, 1994
25,000	March 1, 1995
25,000	September 1, 1995

The bonds will bear interest at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on March 1 and September 1 in each year, beginning on March 1, 1990.

Redemption of Bonds Prior to Maturity

At the option of the county, the bonds maturing on March 1, 1993, and thereafter, will be subject to redemption and payment prior to maturity on September 1, 1992, and thereafter in whole or in part or any interest payment date, at par.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the persons in whose names the bonds are registered on the registration books maintained by the bond registrar at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date.

The county will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No interest rate shall exceed the index of treasury bonds published by the weekly Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the county during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the county on the basis of such bid. Each bid shall also specify the average annual net interest rate to the county on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the county, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the county. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the county shall determine which bid, if any, shall be accepted, and its determination shall be final.

Authority, Purpose and Security for the Bonds

The bonds are being authorized and issued to permanently finance improvements to the Morris County Hospital. The bonds will be general obligations of the county payable as to both principal and interest from ad valorem taxes which may be levied without limitation upon all the taxable tangible property, real and personal, within the territorial limits of the county.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the county, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, under existing law, the interest on the bonds will not be exempt from federal income taxation. The interest on the bonds will be excluded from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

Delivery and Payment

The county will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or after November 7, 1988, at such bank or trust company in the state of Kansas or Kansas City, Missouri, as may be specified by the successful bidder. Delivery elsewhere will be at the expense of the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the county. The denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the county and bond registrar not later than 5 p.m. C.D.T. on November 2, 1988. In the absence of such information, the county will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$8,000, payable to the order of the county to secure the county from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit

made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check shall be held by the county until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall be returned to the successful bidder or deducted from the purchase price at the option of the county. If a bid is accepted but the county shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be retained by the county as and for liquidated damages.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the county.

Bid Forms

All bids must be made on forms which may be procured from the county clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The county reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in separate sealed envelopes addressed to the undersigned county clerk and marked "Proposal for the Purchase of General Obligation Bonds." Bids may be submitted by mail or delivered in person to the undersigned at the Morris County Courthouse, 501 W. Main, Council Grove, Kansas, and must be received by the undersigned prior to 10 a.m. C.D.T. on October 11, 1988.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the county for the year 1987 is \$31,797,327. The total general obligation bonded indebtedness of the county as of the date of the bonds, including the bonds, is \$1,200,000.
